

BERKELEY
SOLUTION
PROVIDERS

For over 20 years, Berkeley Solution Providers (BSP) has been providing solutions and services across Europe, Africa, Asia and the Middle East.

We are committed to bringing cost effective, time efficient and high quality solutions and services to our clients. Our areas of expertise range from construction, civil works & equipment, and logistics, to camp services, machinery, tools & general supplies.

Committed to providing quality solutions and services that are cost-effective and time-efficient at its best.

**\$300 million⁺ of
contracted work.**

We are proud to count the UN offices, NGO's, foreign embassies, and local government & civil institutes among our clients. In the last decade alone, BSP has successfully executed projects, both directly and indirectly, with a total value of over \$300 million.

BSP has long been renowned for providing specialized support and services in areas where they are not easily available. We pride ourselves in establishing strong and lasting relationships with our clients, and continually strive to expand our services to new locations and territories around the world. Our international team is highly skilled and knowledgeable in the local customs of each region, allowing projects to be carried out with maximum efficiency and cooperation.

Our professional and dedicated management teams guarantee 100% commitment to successfully completing all projects..
